1. Policy Objectives

1.1 NWGC subscribes to the principles of equality of opportunity and aims to ensure that anyone participating or wishing to participate in gymnastics is able to do so in a discrimination-free environment.

1.2 The Equality Policy is based on the following fundamental principles, which NWGC aims to uphold:

1.2.1 All persons must respect the rights, dignity and worth of every human being and their right to self-determination.

1.2.2 All staff, members, volunteers and job applicants are entitled to be treated fairly regardless of gender, gender reassignment, sexual orientation, age, parental or marital status, disability, religion, colour, race, ethnic or national origins, or socio/economic background.

1.2.3 Equality must permeate throughout strategic and development plans.

1.2.4 All participants should be afforded equal opportunity to access services.

1.2.5 In some cases, positive action may be required to address past inequalities or under-representation.

1.2.6 It is everyone's responsibility to ensure that no form of discrimination is tolerated in our organisation.

1.2.7 Any individual who believes they have received unfavourable treatment within the scope of the policy should raise the concern in line with the NWGC Complaints & Grievance Procedure.

1.2.8 No individual (and/or their family) who raises a concern in good faith, or those who support another person to raise a concern should be treated unfairly as a result of raising the concern.

2. Purpose of the Policy

2.1 The Equality Policy has been designed to ensure that no job applicant, employee, volunteer, participant or member is unlawfully discriminated against or receives less favourable treatment on the grounds of age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation (together these are known as the 'Protected Characteristics' under the Equality Act 2010)

2.2 NWGC recognises that individuals (and/or certain groups in our society who share one or more Protected Characteristics) may have been denied opportunity to access or participate fully in sport in the past. This Policy has been produced to try to ensure that everyone is treated fairly and avoid practices that could discriminate directly or indirectly towards certain sections of society. In order to achieve equality, NWGC recognises that in some instances, unequal distribution of effort and resources may be required. This may be necessary when sections of society are faced with barriers that prevent or restrict their participation in gymnastics. NWGC supports the need for positive action to alleviate any barriers to participation.

2.3 Equality is about respecting peoples' individuality. In doing this, NWGC recognises that its Policy must provide flexibility in order to ensure a service, which is adaptive to individuals' needs, thus enabling all in our society to participate without prejudice or unnecessary barriers.

3. Responsibilities of NWGC

3.1 NWGC strives to ensure that our sport is free from discrimination. We endeavour to promote the highest standards and will:

3.1.1 Provide and implement a policy to protect participants from discrimination.

3.1.2 Encourage individuals from all communities to become involved at any level of participation, coaching, officiating and management.

3.1.3 Adopt good practice in recruitment, training and supervision of all employees and volunteers.

3.1.4 Ensure that NWGC adopts either British Gymnastics' Equality Policy or similar.

3.1.5 Work in partnership with British Gymnastics

3.1.6 Respond to all concerns, and implement the appropriate disciplinary and appeals procedure.

3.2 NWGC will work to ensure that inequality is avoided: -

3.2.1 When selecting, recruiting and training individuals.

3.2.2 In the structure and content of all syllabi, examinations, regulations and assessment procedures.

3.2.3 In the monitoring of practices, procedures and data relating to the operations and activities of the association and its affiliated bodies.

3.2.4 In the preparation and distribution of all materials and publications.

3.2.5 By the relaxation of any conventional rules and regulations which serve to inhibit the performance of those candidates with special needs or disabilities, providing that such action does not have detrimental effect on the standard, quality and integrity of the regulations.

4. Responsibilities of the Individual

4.1 Everyone associated with NWGC is required to assist in ensuring that the Organisation meets its commitment and avoids unlawful discrimination.

4.2 Individuals can be held personally liable as well as, or instead of, the Organisation, for any act of unlawful discrimination. Individuals who commit serious acts of harassment may be guilty of a criminal offence.

5. Legal Requirements

5.1 NWGC recognises its legal obligations under, and will abide by the requirements of, the Equality Act 2010, and any later amendments to such legislation or subsequent equality related legislation that may be relevant to NWGC.

5.2 It is unlawful to discriminate directly or indirectly in recruitment, employment or in the provision of services because of age, disability, sex, gender reassignment, pregnancy, maternity, race (including colour, nationality and ethnic or national origins), sexual orientation, religion or belief, or because someone is married or in a civil partnership.

5.3 NWGC will seek advice each time this Policy is reviewed to ensure it continues to reflect the current legal framework and good practice

5.4 NWGC recognises that the following is unacceptable:

„Discrimination, Harassment, Bullying and Victimisation“

5.5 Unlawful discrimination, which can take the following forms:

5.5.1 *Direct Discrimination*: - treating someone less favourably than another person because of a Protected Characteristic.

5.6 NWGC regards acts of discrimination, bullying, harassment or victimisation as serious issues. Staff or members who, following disciplinary procedures, are found to have discriminated against, harassed, bullied or victimised any other person, will be dealt with appropriately.

‘Reasonable Adjustments’

5.7 NWGC recognises it has a duty, and is committed to making reasonable adjustments for disabled people.

5.8 NWGCs’ duty to make reasonable adjustments includes the removal, adaptation or alteration of physical features, if the physical features make it impossible or unreasonably difficult for disabled people to use services.

5.9 NWGC, when acting as a service provider, has an obligation to think ahead and address any barriers that may impede disabled people from accessing its service.

6. Implementation Procedures

6.1 British Gymnastics has developed an over-arching Equality Action Plan, which is designed to increase the diversity of the organisation and its membership. The plan also sets out the actions that British Gymnastics will take to improve our sport, making it more accessible in order to reduce inequalities and under-representation in Gymnastics. The Plan clearly sets out British Gymnastics’ commitment to communicating equality with all staff and membership.

6.2 British Gymnastics has fully embedded its Equality Action Plan in to its strategy and planning tool to ensure that equality actions are an integral part of British Gymnastics’ continuous improvement process.

6.3 As part of the Equality Action Plan, British Gymnastics has also produced an Equality Implementation Plan, which sets out how British Gymnastics will monitor the Equality Policy and work towards the ‘UK Equality Standard for Sport’, developed and endorsed by the five Sport Councils and the various sport equality organisations. The Standards set out a framework for all governing bodies of sport to achieve greater equality. The purpose of the British Gymnastics Equality Implementation plan is to improve opportunities for all sections of society to access Gymnastics and try to prevent discrimination in our sport.
